BODY SAFETY AUSTRALIA

This **two hour** workshop for parents and carers aims to inform you of what your child will be learning with us and how you can **keep the conversation going at home**. Our **Over The Rainbow** program is designed to affirm, increase empathy towards, and understanding of, sex, sexuality and gender diverse students and families.

This workshop will help you to understand the experience of LGBTQIA+ children and young people and empower you to **create safer spaces for LGBTQIA+ people** in your home and your community. The workshop will cover the following:

Defining gender, sex, and sexuality

Unpacking the LGBTQIA+ acronym

The difference between gender, gender identity, gender expression, and sexuality

Using and respecting pronouns

The link between misogyny, homophobia, and transphobia

Cultural diversity, disability, and faith

Coming out

Being an LGBTQIA+ ally

Social and support services

We have a strong commitment to provide all communities with body safety education that celebrates children of all socio-economic status, religions, abilities, sexualities, gender identities, cultures, and/or family structure.

Body Safety Australia acknowledges and pays respect to the past, present, and future Traditional Custodians and Elders of this nation and the continuation of cultural, spiritual, and educational practices of Aboriginal and Torres Strait Islander peoples. We acknowledge that sovereignty has never been ceded.
